Subject: Implementation of Revised GST Rates and Corresponding MRP Changes – effective 22nd September 2025

Dear Channel Partner,

This is to inform you all that, as per the recommendations of the 56th GST Council Meeting held on 3rd September 2025, the Government of India has announced a reduction in GST rates for various pharmaceutical and healthcare products. These revised GST rates will be effective from 22nd September 2025. The purpose of this change is to help make essential medicines and healthcare products more affordable and accessible.

In line with this development, Zenex Animal Health India Private Limited (Zenex) will be reducing the Maximum Retail Prices (MRPs) of our products to reflect the new GST rates, as per the guidelines issued by the National Pharmaceutical Pricing Authority (NPPA). We are committed to ensuring that the benefit of this GST reduction is passed on to our customers in a transparent manner. The revised MRPs will come into effect from 22nd September 2025.

We appreciate your cooperation in implementing these changes.

1. Effective Date:

The revised GST rates and updated MRPs will be applicable from 22nd September 2025. Please ensure all changes are implemented from this date so that benefits will be passed on to customers as required.

2. Trade Margins:

There will be no change in trade margins or the existing pricing structure. Your profitability will remain unaffected.

3. Revised Price List:

Kindly circulate the attached revised price list (Form V/VI) to all relevant parties, including retailers, hospitals, and health centers.

4. Billing and Display:

Please update your billing systems to reflect the new MRPs from the effective date. We also request you to display this notice at your premises and inform your staff and customers about the revised prices.

5. Consumer Awareness:
